

LEIGH SOCIETY MEMBERSHIP APPLICATION

THE LEIGH SOCIETY was founded in 1972 and initially focused on restoring the Old Smithy in the Old Town to form the Heritage Centre, which has been open to the public ever since as a museum of Leigh.

The Society has grown from strength to strength and manages the Heritage Centre and the restored Plumbs Cottage.

The aims of the Society are -

- to promote high standards of planning and architecture in the Leigh Conservation Areas and to secure the preservation of features of historic and public interest;
- to provide and maintain a museum in the Old Leigh Conservation Area for the advancement of the education of the public and for the exhibition to the public of objects, documents, photographs and any other item whatsoever connected with the history of the town of Leigh-on-Sea;
- to secure the preservation, protection, development and improvement of features of public architectural and historical interest in the Conservation Areas of Leigh; and
- to promote high standards of planning and architecture in or affecting those areas.
